#CONTINUOUS IMPROVEMENT

Jefferson State CC & Dunn University hosted an excavator simulator training in mid-February. At Dunn, we believe there is no safer way to build a foundation to achieve this skill and advancement critical to our industry.

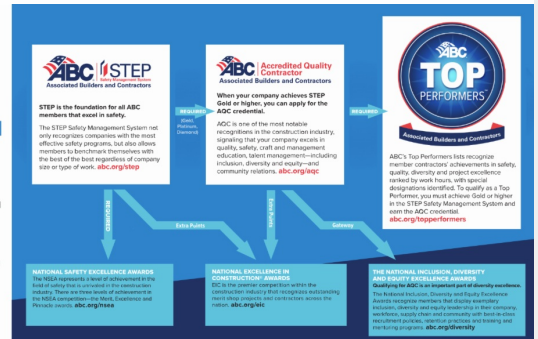

Shout out to Jeff State instructor Alan Smith and our Dunn employees David Ballard, Derrick Rhodes, Derrick Lyons, and Johnny Pendley!

Dunn Building Company is honored to be named an ABC National 2023 Top Performer for our achievements in health and safety, quality, diversity, company culture, and innovation.

ABC'S ROADMAP TO TOP PERFORMER RECOGNITION

Construction service buyers often contact ABC seeking contractor referrals in various market segments. As a result, ABC created FindContractors.com, a searchable website featuring companies on the annual Top Performers lists. This is just one way top-performing contractors are recognized for their commitment to safety and excellence in construction.

PROJECT HIGHLIGHTS

See the progress from our current projects.

One team.
One community.
A whole lot of support.

Dunn Building's, Luke Newell, presented the Firehouse Shelter Director, Nicole Boomhover, a check for \$13,000 from the proceeds of this year's golf tournament. This brings the total to well over \$130,000

that this tournament has raised over the last 14 years!
